### GAAP Features

GAAP has introduced new operational reports to our back office program to allow the user to not only save time, but tighten controls.

### Management Overview Report

This report is a one page summary overview with the following data:

1. Turnover Figures
2. Cashup Figures
3. Customer Activity
4. Labour Overview
5. Sales Exceptions
6. Food Cost and GP
7. Debtors and Creditors
8. Purchases
9. Breakfast, Lunch and Dinner Split
10. Stock Exceptions
11. Table Modes Summary

### Stock Movement Report

This report allows the user to select certain departments and Stock items.

The report outputs the movement of each selected stock item, from opening stock, purchases, transfers, issues, wastage to closing stock.

## Customer News

### Don Wilkinson's latest venture - Mundo Vida

GAAP has had a long-standing association with well-known and much-respected chef / restaurateur Don Wilkinson. Going back to the very early Razzmatazz days in 1989, Don was one of the first users of GAAP, and he had an impact on the software and some of the features we incorporated.

His latest venture opened just over a year ago. A few steps from the beach and with stunning views of the ocean, the stylish Mundo Vida restaurant in Umdloti north of Durban, has much to offer the discerning palate. Diners can enjoy the amazing deck and view on those calm coastal evenings.

Don and Joni run their business with a very personal touch and describe the menu as 'Foods of the World' faire - specially prepared dishes from around the globe.

GAAP takes pride in our long-standing relationships with many of the customers we service in the South African market.

### Hostex Cape

We recently attended the 2010 Hostex Exhibition at the ICC in Cape Town. This is the leading annual hospitality and catering exhibition and always attracts new and existing members of the industry. Thank you to all the GAAP users that came past our stand and we hope you enjoyed our display; as always it was a successful networking and marketing opportunity for GAAP. The next Hostex Exhibition will be in Johannesburg 2011.
