## **GAAP Technical News**

### **GAAP'S Wastage Feature**

With the ever increasing cost of food these days, it is extremely important to manage the waste on these products: What is being wasted, why is it being wasted, and most importantly, what is the cost of all this wastage? Armed with this information, it is a lot simpler to then identify ways on how to minimize or even prevent loss to wastage in the future.

With GAAP's new Wastage Feature you can do just that. The program allows you to either input a single stock item eg. 400g Tomatoes, or a menu item with the recipe of those stock items linked, to be wasted. The user can select a different reason for each item wasted, be it shrinkage, spoilt, kitchen error etc.

**The user can then print a number of reports which include;**

- Top Wasted Items
- Menu/Stock Items Detail
- Menu/Stock Items Summary
- Single Stock Items Detail
- Menu/Stock Items per reason

For further information or training, please contact your nearest GAAP Offices.

### **Customer News**

The Place Restaurant and Lounge Eatery, situated in Klerksdorp, boasts a 100 seater venue that satisfies a wide variety of tastes and flavours. Apart from the tantalizing menu the restaurant offers, they also frequently run 'not to be missed' specials. It is owned and operated by Pierre van Zyl who has been in the hospitality industry for 29 years and has a reputable track record.

Over the years The Place Restaurant and Lounge Eatery have been loyal clients of GAAP. Pierre agrees that service and product are the keys to operating a successful business and this applies to not only the restaurant industry but also his suppliers.

We would like to congratulate The Place Restaurant and Lounge Eatery for receiving the Diamond Arrow Award from PMR.Africa for: "Highest Rated under the Business Sector for Executive Restaurants in the North West Province."

Well done to Pierre and his team!

### **GAAP Restaurant Software Handicap**

The GAAP Restaurant Software Handicap was run at Turffontein on Saturday 5th September as part of the Round Table Raceday. Congratulations to River Indigo, along with jockey G Lerena and trainer B D Botes.

This was in aid of a very worthy cause - EquipSkills is involved in educating previously disadvantaged teenagers and adults. The UCS Group works very closely with and has supported this charity for many years.
